RE: License #: DC580381189
Dundee Child Care Center And Preschool
645 Franklin St.
Dundee, MI 48131

Dear Ms Salenbien:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/02/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers. As a result of the inspection, I did not find any rule or law violations.

I observed appropriate interaction between the child care staff members and the child care children. I observed the children during outdoor play. Other daily activities that the children engage in include snack, lunch, small and large group activities, nap/rest time, arts and crafts, and various preschool activities to include, letter and number recognition, learning shapes, music and reading.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
