RE: License #: DC580389469
Mason Central Elementary
2400 Lakeside
Erie, MI 48133

Dear Mrs. McCain:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/28/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers. As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, there were no children present due to the school building before/after school program having already dismissed for the school year. I will observe interaction with the caregivers and children at a later date when the program resumes programming.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 262-9838.

Sincerely,
