Dear Kimberly Neyhart:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During my onsite visit I observed outside time, free play, hand washing after diapering, hand washing before lunch and naptime. I provided technical assistance to Ms. Neyhart regarding keeping diapering supplies in close proximity to the diapering area. During my on-site inspection, I observed the non-flushing potty chair next to the diaper changing table in the hallway. The potty-chair was clean and did not have any human inside. I provided technical assistance to Ms. Neyhart explaining that all non-flushing potty chairs are required to be used in the bathroom area.
