RE: License #: DC580404533
Love N Care Early Learning Center
9875 Lewis Ave
Temperance, MI 48182

Dear Ms. Wingate:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/27/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers. As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, there were no children present due to the preschool and childcare program having already dismissed for the school year. I will observe interaction with the caregivers and children at a later date when the center resumes programming.

| During calendar year 2021: | Total |

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
