Dear Ms. DuBois:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of the onsite inspection, Ms. DuBois was present with one child care staff member and 19 child care children. Children had recently arrived for the day and were planning to go on a walking field trip to the local library. I observed them using the bathroom, washing hands, cleaning up from the arrival play time, and engaging in their daily morning circle rituals. Ms. DuBois then talked to the children about the field trip, reminding them of etiquette on the bike trail, followed by the children being dismissed to dress for the outdoors. All communications between staff and children were positive and it was a pleasure to watch the adults and children interact.

As a result of the inspection, I did not find any rule or law violations.
