Dear Mr. Feenstra:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection I observed five child care classrooms. Each classroom was with ratio and capacity. I observed nap time, choice play, handwashing, snack, circle time and outdoor play. All child care children were being appropriately supervised and interacted with by child care staff members. I reviewed 10 child care files and five child care

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	1
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
