Dear Mrs. Hazekamp:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 10/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection I observed 9 child care classrooms. All the classrooms were operating within ratio and capacity. I observed the children participating in choice play, painting pumpkins, and rest time. All children were being appropriately supervised and interacted with.

As a result of the inspection, I did not find any rule or law violations.
