Dear Mrs. Mulvey:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/14/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of the onsite inspection, there were two child care staff members present with eighteen children. The children were eating snack when I arrived, then transitioned to free play and outdoor time. The children were rambunctious due to the upcoming holiday but the staff members managed their behaviors well and appeared bonded to the children.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- There were two gallons of milk in the refrigerator that had not been labeled with the date opened. While I was present, Ms. Lynn had her child care staff member label the gallons.
- A container of whipped cream cheese in the refrigerator had expired the day prior. I reminded Ms. Lynn to keep a close eye on expiration dates.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
