Dear Mrs. Mulvey:

This letter is to advise you that the 06/01/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
-----------------	------------------------	-----------------	----------------------

R 400.8112 (1)(c) Comprehensive background check; fingerprinting.	A speech therapist employed by the school district had unsupervised contact with children while they were signed in to the child care. She had not been determined eligible by the department.	Any child removed from the classroom by a guest therapist will be signed in and out by the guest therapist.	Immediately
R 400.8161 (2)(f) Emergency procedures.	Written emergency procedures do not include a plan for how each child with special needs will be accommodated during each type of emergency.	These procedures will be prepared upon entrance into the program and posted with the emergency procedures.	Immediately
R 400.8161 (2)(h) Emergency procedures.	Written emergency procedures do not include a plan for how each child with chronic medical conditions will be accommodated during each type of emergency.	These procedures will be prepared upon entrance into the program and posted with the emergency procedures.	Immediately
R 400.8161 (3) Emergency procedures.	Complete emergency procedures were not posted in the LHLC room, the gym, or rooms 106, 502, 505, or 506.	Emergency procedures will be posted in each licensed space in places visible to staff and parents.	Immediately
R 400.8335 (8)(a) Food services and nutrition; provided by center.	There were three containers of milk or milk substitute that were not labeled with the date opened.	Milk containers will be labeled with the date and time immediately upon opening.	Immediately
R 400.8350 (5) Toilets; hand washing sinks.	The water in multiple hand washing sinks did not reach 75 degrees Fahrenheit.	Building maintenance will make sure that the water temperature is warm, but not above 100 degrees Fahrenheit.	June 2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 284-9730.

Sincerely,

Amanda Wendell
