Dear Mrs. Mulvey:

This letter is to advise you that the 07/27/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 (1) Children's records.	Child information cards were missing required information such as the medical permissions section, parent signature and date, allergies section, and parent employer.	The program directors will review all child information cards and obtain any missing information.	07/28/2023 At enrollment
R 400.8335 (8)(a) Food services and nutrition; provided by center.	Ms. Welch did not ensure that all containers of milk are labeled with the date they were opened.	All staff will be retrained on food and beverage labeling.	Immediately

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
