RE: License #: DC610274252
The Hop Inc. Your Neighborhood Child Care Center
2495 Holton Road
Muskegon, MI 49445-1680

Dear Ms. Thorsen:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 08/18/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During my onsite inspection I was able to observe the preschool children and the school age children going outside to participate in outdoor play. I observed the preschool children come inside and wash their hands prior to eating lunch. In the infant and toddler space the children were fed, diapers changed, and they were all interacted with in a positive manor. The child care was clean and no safety hazards were noted. All children and staff paperwork required to be reviewed during interim inspection was completed and no issues were noted.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
