Dear Ms. Morence:

This letter is to advise you that the 07/06/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(3) Professional development requirements.	Ms. Piggee was caring for children in the toddler room, she had not trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.	Ms. Iams indicated that she will schedule Ms. Piggee for time off to complete the required department trainings. Going forward Ms. Iams will make sure all required trainings are completed in the required timeframes.	7/8/2022
R 400.8131(4) Professional development requirements.	Ms. Piggee was caring for children in the infant room and was required to meet ratio requirements. She	Ms. Iams indicated that she will schedule Ms. Piggee for time off to complete the required department trainings. Going	7/8/2022

	had not completed prevention and control of infectious disease training, including immunizations.	forward Ms. Iams will make sure all required trainings are completed in the required timeframes.	
R 400.8131(2) Professional development requirements.	Ms. Piggee did not have documentation of completing sudden infant death syndrome and use of safe sleep practices before caring for infants and toddlers.	Ms. Iams indicated that she will schedule Ms. Piggee for time off to complete the required department trainings. Going forward Ms. Iams will make sure all required trainings are completed in the required timeframes.	7/8/2022
R 400.8143(6) Children's records.	During my onsite inspection I reviewed ten child files, two children that have been enrolled for more than 30 days did not have a signed physical evaluation that noted any restrictions by a licensed physician.	Ms. Iams stated that she will get the physicals needed from the parents of the children enrolled, if they do not provide the required documentation then they will be dismissed from care.	7/20/2022
R 400.8143(3) Children's records.	During my onsite inspection I reviewed ten child files, three children were missing a certificate of immunization showing a minimum of 1 dose of immunizing agent specified by the department of health and human services and a copy of a waiver addressed to DHHS and signed by the parent stating immunizations are not being administered due to religious, medical, or other reasons.	Ms. Piggee will make sure that all children have this documentation on file at the time of admission and will obtain it for the three children that are missing it ASAP.	7/6/2022
R 400.8112 (1) Comprehensive background check; fingerprinting	During my onsite inspection Ms. Deazsha Piggee was working in the infant room, she was needed to maintain ratio. Ms. Iams,	Ms. Iams will schedule Ms. Piggee for a comprehensive background check as soon as one is available. Ms. Iams also understands that no one should	7/20/2022

	the licensee designee, explained that she misunderstood the rule and believed because she was always supervised, she did not need her comprehensive background check until she was unsupervised.	be working with children until the comprehensive background check is completed and results are obtained.	
R 400.8128 Health of staff and volunteers.	The center did not have documentation that Jessica Kelly and Deazsha Piggee were free and clear of the communicable disease tuberculosis.	Ms. Iams will obtain documentation and place it in the child care staff member's file. Ms. Iams will make sure to obtain this documentation from child care staff members once they have been in the center for more than four hours a week for two consecutive weeks.	7/20/2022
R 400.8340(3) Food services and nutrition; provided by parents.	During my onsite inspection I observed the older children classroom, there was a bin that was full of water bottles. The water bottles did not have first names on them, the department requires first and last name.	Ms. Iams will remind child care staff members of the requirements of the last name and make sure these requirements are being followed.	7/8/2022
R 400.8350(2) Toilets; hand washing sinks.	During my onsite inspection I observed the infant room child care staff members using the hand washing sink to also prepare and wash bottles for the infants.	Ms. Iams will remind child care staff members of the requirements and train them if necessary.	7/6/2022
