Dear Mrs. Aamodt:

This letter is to advise you that the 10/02/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(3) Professional development requirements	Ms. Drake did not ensure that one of the five child care staff members training documents reviewed completed the appropriate training prior to caring for children.	All child care staff members files will be reviewed to ensure all required trainings have been completed. Compliance will be monitored and maintained by regularly reviewing files on an ongoing basis by the PD and LD.	10/07/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
