Dear Mrs. Aamodt:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection I observed two classrooms that were participating in free play in the gymnasium due to rainy weather. The child care staff members were interacting with the children appropriately as well as supervising them appropriately.

As a result of the inspection, I did not find any rule or law violations.
