Dear Ms. Kelley:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection there were five child care children, two child care staff members and the program director. The children were having tummy time on the floor and two infants were napping. All children were being appropriately interacted with and supervised.

As a result of the inspection, I did not find any rule or law violations.

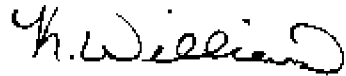

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
