Dear Mr. Crow:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/27/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During my onsite inspection I was able to observe the child care staff members engaging in positive interactions with the children in care. They were providing appropriate supervision as the children engaged in a nutritional learning opportunity with the YMCA. The child care center was free of any hazards and found to be in compliance.

As a result of the inspection, I did not find any rule or law violations.

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
