Dear Ms. Grodus:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/21/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection I observed children participating in the school class work portion of the program. The children then transitioned to lunch. All children were being appropriately supervised and interacted with. **Technical Assistance** was provided regarding maintaining the accuracy of the programs CCBC account.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
