Dear Ms. Young:

This letter is to advise you that the 05/17/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8134 Hand washing.	During my onsite inspection, children used hand sanitizer prior to having a snack. Child care staff members were reminded that they have to wash their hands which includes using warm running water for 20 seconds prior to eating anything.	Ms. Kulesza will have children wash their hands in the bathroom with soap and water for 20 seconds before they have their snack.	5/17/2023

R 400.8143 Children's records.	The child care facility has a signed statement from school-age parents but it was not updated annually.	Child files will be reviewed annually by Ms. Kulesza.	5/23/2023
