Dear Ms. Bergey:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 03/14/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During my onsite inspection I was able to observe two child care staff members caring for children as they entered programming for their designated schools. The child care staff members were engaged in positive interactions and redirected when they needed to. Once capacity was reached in the original classroom, the class divided and entered the second capacity space. I checked documentation required by the departments interim policy, no safety hazards are noted.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
