Dear Ms. Wilkinson,

This letter is to advise you that the 2/29/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8146(3)(a)	The Butterfly room did not document the time and amount of food taken by the toddlers.	The Butterfly room has been advised that they must document the time and amount of food on the daily record sheet that is provided to the parents. I have followed up to make sure that this is being done.	On February 15 this correction was made and has been verified that it is being done on a daily basis.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Bagvati Yedur at (248) 736-1869 or yedurb@michigan.gov. In the event that Bagvati Yedur is not available and you need

to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

Sincerely,
