This letter is to advise you that the 12/16/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

(b) A copy of a waiver addressed to DHHS and signed by the parent	The child care center's health chairperson will input the immunization form to the child's record.	12/20/2022

	stating immunizations are not being administered due to religious, medical, or other reasons.		
R 400.8152 (2) Medication; administrative procedures.	There was no written permission from a parent for one child's Auvi-Q.	Parent will sign medication permission form for distribution of medication.	12/20/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
