**Findings of the Inspection**

A copy of this interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care center.

During the on-site inspection, I reviewed children’s records and child care staff members’ records. I observed children in care engaged in a variety of developmentally appropriate activities, including free play with blocks and gross motor activities in the indoor play area. I also observed toileting, hand

washing, meal service, and nap time. The child care staff members' interactions with the children were positive and nurturing. They were attentive to the children's needs.

If you have any questions regarding the report, please contact licensing consultant, Alicia Wiggins, at (248) 369-7892. In the event that Alicia Wiggins is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at (517) 284-9730.
