Dear Ms. Luthe and Ms. McDowell:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/27/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I reviewed children's records and child care staff members' records. I observed children in care engaged in a variety of developmentally appropriate activities, including coloring, outdoor play, and dramatic play. I observed small group time which included a caterpillar activity. I also observed toileting, hand washing, meal service, and nap time. The child care staff members' interactions with the children were positive and nurturing. They were attentive to the children's needs.
