RE: License #: DC630018690
Gill YMCA Sacc
21195 Gill Road
Farmington Hills, MI 48335

Dear Mrs. Quirk-Harmer:

Attached is the Addendum to the Original Licensing Study Report for the above referenced facility.

Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (248) 975-5053.

Per MCL 722.113g, this report must be filed in your licensing notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "J.K.", written in a cursive style.

Capacity: 78

Program Type: CHILD CARE CENTER

II. Purpose of Addendum

On 05/11/2022 Tina Quirk-Harmer submitted a request to add a full day school-age summer program.

III. Methodology

05/11/2022-Modification Request Received

IV. Description of Findings and Conclusions

The terms of the original license have been modified on 06/13/2022, 09/21/2020 and 10/20/2010.

The following rooms are approved for use:

- The cafeteria is 2,300 square feet, which accommodates the capacity of 66 school-age children.
- The gymnasium is 2,700 square feet, which accommodates the capacity of 77 school-age children.

The maximum number of children in the program at any one time must not exceed the requested capacity of 78.

For a capacity of 78 children, the program is required to have 6 toilets and 6 sinks. The school building has more than 2 toilets and 2 sinks accessible to the children.

A fire safety inspection and an environmental health inspection was completed when the original license was issued. This school-based program is exempt from further fire safety inspections, unless there is new construction in the approved child use areas.

This program is exempt from a lead hazard risk assessment since it operates in a school building serving only school-age children.

The playground may or may not be in compliance with the Handbook for Public Playground Safety. The school is exempt from the requirement of an inspection by a certified playground safety inspector and the licensee has informed parents in writing at the time of enrollment that the equipment and outdoor play area does not comply with the rule.

The center is approved for a total capacity of 78 school-age children.

The cafeteria and gymnasium are furnished with a sufficient quantity of age appropriate equipment for the capacity of 78 school-age children.

The program will operate Monday-Friday during the summer break from June to August.

Hours of operation will be the following:

7am-9am Before Care

9am-4pm "Camp Riley"

4pm-6pm Aftercare

The full-day program will provide breakfast, lunch, and two snacks.

The center uses Trinity transportation for off-site field trips.

Swimming is offered during field trips to Farmington Hill's YMCA.

V. Recommendation

The program will operate full day during the summer break.

06/15/2022
