Dear Ms. Scott:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/23/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the children in care engaged in a variety of developmentally appropriate activities, including outdoor large muscle opportunities, utilizing playground equipment on school grounds. The child care staff members were very receptive to the needs of the children in care. Both children in care and child care staff members were observed exchanging in positive conversations and interactions.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
