RE: License #: DC630019237

RE: SI LOG #: **Clawson Early Childhood Center
626 Phillips
Clawson, MI 48017**

Dear Mrs. Swords:

This letter is to advise you that the 03/03/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8134 (2) Hand washing.	The caregiver in room 106 did not wash her hands after cleaning a child's nose.	Remind all staff to wash hands after blowing nose.	03/04/2022
R 400.8143 (1) Children's records.	Ten child information cards were reviewed and six were missing one or more of the following: special needs, allergies, special needs, date of admission, and employment phone number.	Emergency cards will be updated.	03/11/2022

R 400.8161(2) Emergency procedures.	The center does not have a plan for shelter-in-place.	We will update our emergency procedures.	03/11/2022
R 400.8170 (10) Outdoor play area.	The platform on the wood climber has cracked and chipped areas. The s-rings on the swings are rusty. The wooden bench has rusty screws. The wood has chipped areas on the ramp post for the climber. The yellow slide is cracked on two sides.	Mulch will be ordered for playground.	03/28/2022
R 400.8170 (16) Outdoor play area.	The mulch was not restored under the swings and slides.	Mulch will be ordered for playground.	03/28/2022
R 400.8173 (4) Equipment.	The rugs in room 101, ones, and 108B are not secure. The carpet is frayed in room 101. The pie shaped sitting area has torn and frayed areas.	Carpet tape will be used to secure and frayed carpet will be replaced.	03/28/2022
R 400.8176 (17) Sleeping equipment.	The bedding in room 106 is touching on the stacked cots.	Remove sheets when putting cots away.	03/04/2022
R 400.8340 (3) Food services and nutrition; provided by parents.	There were bottles in the infant and toddler classrooms that were not covered, labeled with the child's last names, or dated.	All bottles will be labeled with child's first and last name plus date.	03/04/2022
R 400.8345 (4) Water supply; plumbing.	The toilet in room 106 has an exposed screw at the base.	Have bold covered.	03/11/2022

R 400.8380 (5) Maintenance of premises.	Room 101- the red table and kitchen set has deteriorating paint. Room 104- the blue housekeeping furniture has deteriorating paint. Playground- there is deteriorating paint on the railings of the climber steps.	Paint will be repaired or new equipment.	03/28/2022
--------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------	------------

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

Thomasa Bond, Licensing Consultant
