Dear Ms. Hollis,

This letter is to advise you that the 05/08/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(12)	Two of the five child care staff members (A.B. and S.K.) did not complete the 2023 MiRegistry Refresher course within 6 months of receiving the notice from the department.	Child care staff members A.B. and S.K. will complete the 2023 MiRegistry Refresher course within 10 days. In the future, Licensee Designee will send a 6-month reminder to child care staff members to complete the annual refresher course.	05/18/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
