Dear Mr. Lloyd and Ms. Cavicchiolo,

This letter is to advise you that the 05/31/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8140(2)(a)	Based on the interviews that were conducted, there is sufficient evidence to support that CCSM 1 used a prohibited means of punishment. CCSM 1 admitted that she pushed Child A after he hit Lead Caregiver and CCSM 2. She stated she pushed him so he would redirect his anger towards her and not Lead Caregiver, CCSM 2 or any other children.	CCSM 1 was terminated the next day after the incident. During our staff professional development on 08/28/2024, we will discuss appropriate disciplinary actions for children who are escalated.	08/28/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
