Dear Ms. Steele,

This letter is to advise you that the 06/30/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8113(9) Program director qualifications; responsibilities	N.J. did not have two semester hours or 3 CEUs in child care administration.	N.J. will take the administration coursed.	90 days
R400.8131(5) Professional development requirements	Of five staff records reviewed, one staff member (A.G.) had not completed the required training topics indicated in (5)(a-e) and (g).	A.G. will complete Health and Safety Course 1 and Course 2 on MiRegistry.	90 days

	Note: This training is available in the Health and Safety Course 1 and 2 at www.miRegistry.org or can be obtained with an alternative training source provided it includes the same topics.		
R 400.8325(1) Sanitization	Sanitization methods for food contact surfaces and items children mouth were not always sanitized using a bleach and water solution in the recommended concentration. Note: The proper level of bleach concentration is between 50-200 ppm. This can be achieved using a ratio of one tablespoon of bleach to one gallon of water. Test strips can verify the strength.	The proper bleach solution concentration of 50-100 ppm. (or a maximum of 200 ppm.) will be maintained.	2 days

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. If I am
