RE: License #: DC630021715

RE: SI LOG #: **Day Care Plus Inc**
721 S Main
Clawson, MI 48017

Dear Ms. Lohr:

This letter is to advise you that the 08/21/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112(2) Comprehensive background check; fingerprinting	The program director is not connected to the center in the CCBC system.	The center director Cynthia Lohr has been connected to the center in the CCBC system. Director will monitor the system to insure no errors are present.	07/24/2023
R 400.8131 (12) Professional development requirements.	One child care staff member did not complete the required training.	All childcare staff have completed the required H&S refresher course for 2023.	08/09/2023
R 400.8131 (2) Professional	Three child care staff members did not complete the required training.	All childcare staff have completed the prevention of shaken baby syndrome, abusive head trauma,	08/07/2023

development requirements.		and child maltreatment, and recognition of the reporting of child abuse and neglect.	
R 400.8131 (3) Professional development requirements.	Three child care staff members did not complete the required training	All childcare staff have completed the H & S module A,B,C	08/12/2023
R 400.8131 (4) Professional development requirements.	Three child care staff members did not complete the required training.	All childcare staff have completed the H & S module A,B,C	08/12/2023
R 400.8131 (5) Professional development requirements.	Three child care staff members did not complete the required training.	All childcare staff have completed the H & S module A,B,C	
R 400.8143(1) Children's records	Ten child information cards were reviewed and seven were missing one or more of the following: date of admission, employment information, physician's number, emergency medical, other release person, and card was not signed.	All emergency cards have been reviewed and missing items have be filled by the parents. 1 card was not signed by the parent that has been corrected.	07/24/2023
R 400.8143(3) Children's records	The center did not have immunizations on file for one child.	All children have a certificate of immunization on file at the center. The missing certificate has been corrected.	07/24/2023
R 400.8380(5) Maintenance of premises	The center has deteriorating paint on the vent cover in the toddler classroom.	The vent in the toddler room has been sanded and repainted.	07/24/2023
R 400.8545 (3) Fire extinguishers.	The fire extinguisher was sitting on the counter in the kitchen.	The fire extinguisher was removed for painting and is now hanging on the wall.	08/15/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
