III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations

The facility is in compliance with all applicable rules and statutes. Technical assistance was provided regarding the following:

1. Adding the PSOR statement to the volunteer screening section.
2. Complete the child information records with employer name and phone number including allergies. Not mention Not applicable on the information records.

3. Connect and disconnect the staff members appropriately.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
