Dear Mr./Ms. Fletcher:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 09/13/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the children in care participating free choice time, art and craft time, hand washing, and lunch time. I observed the children in care participating in outdoor activities and nap time. The child care staff members were observed having a good rapport with all of the children in care. I observed the children in care to be happy and comfortable with the child care staff members.

As a result of the inspection, I did not find any rule or law violations.

I gave technical assistance and consultation during the exit conference. We discussed, updating the classroom numbers of two approved classrooms.
