Findings of the Inspection

A copy of this Interim Inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim Inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

During the on-site inspection, I observed children in care engaged in a variety of developmentally appropriate activities, including outdoor play. I also observed toileting and handwashing. The child care staff members' interactions with the children were positive and nurturing. They were engaged with the children while being attentive to their needs.

As a result of the Interim Inspection on 05/22/2024, licensing consultant, Alicia Wiggins, did not find any rule or law violations.

If you have any questions regarding the report, please contact licensing consultant, Alicia Wiggins, at (248) 369-7892 or wigginsa@michigan.gov.
