Dear Ms. Kolos:

This letter is to advise you that the 04/14/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112(2)(e) Comprehensive background check; fingerprinting.	The program director Ms. McClory was not connected to the license. There are staff members that are connected but do not work at the center.	The program director is now connected to the license.	4/13/23
R 400.8143(1) Children's records.	Out of the 10 children's records reviewed 8 records do not have the physician's phone number, date of admission and	Due to a glitch in the software the field for allergies/special needs need to be filled with "None" manually.	4/13/23

R 400.8143(11) Children's records.	allergies/special needs completed. The center did not provide the electronic attendance records for the children to the department at the time of the on-site inspection.	Written attendance records will be maintained on site.	4/13/23
R 400.8143(8)(a) Children's records	The center did not have the school age parents sign the statement that the child is in good health with activity restrictions noted on the enrollment form.	A signed form for parents was created regarding child's good health and activity restrictions noted.	4/13/23
R 400.8146(1)(h) Information provided to parents.	The parent handbook did not have the parent notification plan for accident, injuries and incidents.	A parent notification plan for accidents/injuries was included in the parent handbook.	4/13/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
