Dear Mr. Robinson:

This letter is to advise you that the 06/20/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8110	A licensing notebook and summary sheet was not onsite.	A licensing notebook and summary sheet will be onsite at all times.	06/20/2022
R400.8152	I observed medications for two separate children onsite without parent permission. One medication was an Epi-pen and the other was an inhaler.	Written parent permission will be obtained at the time medication is received.	06/20/2022
R400.8182	I observed one CCSM with 20 children in the cafeteria for breakfast for approximately 15 minutes.	All classrooms will have enough adults in the room to maintain ratio.	06/20/2022

R400.8330	A food menu was not posted in a place visible to parents in any of the classrooms.	Food menus will be posted in all classrooms.	06/20/2022
R400.8335	Children were provided only one food group for lunch. Water and crackers were served.	All children will be served the correct amount of food groups during lunch.	06/20/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
