Dear Ms. Papuga,

This letter is to advise you that the 8/13/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	The center did not provide appropriate care and supervision when Child A was left alone in the gym by CCSM 1 and CCSM 2.	Preschool 1 will no longer be allowed to go straight from the gym to the class, and only do one safety check. They must do a 2nd safety check in the hallway, prior to entering the classroom. Office staff is watching classrooms from the camera, while leaving rooms, gym, and outside,	Already Completed

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services.
