Dear Mr. Yax:

This letter is to advise you that the 08/08/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 (11) Children's records.	The toddler classroom did not maintain accurate daily attendance with nine children signed in and twelve children present.	Teachers have been notified of violation and will accurately check in children when parents have failed to do so.	08/01/2022
R 400.8146 (3) Information provided to parents	The toddler written daily logs did not have developmental milestones.	Milestones will be reported as anecdotes for families on a daily record.	08/01/2022
R 400.8146 (3) Information provided to parents	The toddler written daily logs did not have changes in the child's usual behaviors.	Changes in usual behavior will be reported to families on a daily record.	08/01/2022

R 400.8152 (3) Medication; administrative procedures	There were several sunscreens in the preschool classroom that did not have the child's full name.	Sunscreen bottles will be checked and updated with children's first and last names.	08/01/2022
R 400.8173 (4) Equipment.	The rugs in the toddler and multi-age group were not secure to the floor creating a trip hazard. The edging around the table with the sink in the toddler classroom is cracked with rough areas.	Classroom rugs will be secured to the floors by the director.	08/01/2022
R 400.8520 (14) Interior finishes.	The toddler classroom has combustible items hanging from the ceiling.	Exposed rough edges of the water table will be concealed and taped off by the classroom teacher.	08/01/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
