RE: License #: DC630252117
Everest Academy Kinder Building

Clarkston, MI 48348

Dear Ms. Ender:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 11/07/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. I provided technical assistance regarding the following:

1. Keeping the line of sight for children in both Gym and cafeteria for the after-school program.
2. Children eating and working on the computer at the same time in the after-school program.
3. Updating the emergency procedures for reunification after emergencies.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Yedur".
