RE: License #: DC630256114
Wiggles & Giggles Child Care Center
1131 White Lake Road
Highland, MI 48356

Dear Ms. Ridalls:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 01/10/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

The licensee did not ensure that all personal completed a new health and safety training activity that was posted on MiRegistry. Of the 5 files I reviewed, 3 Child care staff members did not complete the 2022 Refresher course.

R 400.8143 Children's records.

(3) For children under school-age, at the time of a child's initial attendance, a center shall obtain, keep on file, and make accessible in the center 1 of the following:

(b) A copy of a waiver addressed to DHHS and signed by the parent stating immunizations are not being administered due to religious, medical, or other reasons.

The center did not obtain a current copy of an immunization waiver. Of the ten files I reviewed, 1 file did not contain an update waiver. The waiver expired in 2022.

On 01/10/2023, you gave us an acceptable written corrective action plan.

During calendar year 2021:	Total
