Dear Ms. Freimark/Ms. Thomason:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 08/01/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

**I provided technical assistance on the following:**

- Ensure all child information cards are updated yearly
- Ensure all children are signed in (1 child observed not signed in)

<b>During calendar year 2021:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
