Dear Mrs. Cupidore:

This letter is to advise you that the 01/12/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
MCL 722.115p Child care center, group child care home, or family child care home; potential or current child care staff member convicted of crime.	The center did not have the department determine eligibility of one staff member. The bus driver had been determined eligible by the school system and not by the child care background check system.	The bus driver will be sent to get a criminal history check. There is an aide on the bus who has been fingerprinted.	February 1, 2022 (currently virtual until January 28, 2022).
R 400.8143(1) Children's records.	During the onsite investigation, I reviewed ten child information	Parents will complete emergency records to not include "N/A".	February 1, 2022

	records. Nine child information records did not have the date of admission; six child information records were blank or had "n/a" listed in the allergies field; three child information records were missing the child's physician information; two child information records were missing employer information, and one child information record was missing the parent/guardian signature and date.		
R 400.8143(11) Children's records.	During the onsite inspection, five of the seven operating classrooms did not have accurate daily attendance. Two classrooms were closed due to COVID-19 exposure protocols.	All staff will complete sign in sheets including children's first and last names.	February 1, 2022
R 400.8345(4) Water supply; plumbing.	One of the two faucets in the boys' restroom is loose and moveable.	The faucet will be tightened in the boys restroom.	February 1, 2022
R 400.8350(5) Toilets; hand washing sinks.	The handwashing sinks in the boys' restroom exceeded 120 degrees Fahrenheit. One sink read 140 degrees Fahrenheit.	Maintenance will adjust the water temperature to not exceed 120 degrees Fahrenheit .	February 1, 2022
R 400.8380(6) Maintenance of premises.	There is rust on the floor and bottom of two stalls in the boys' restroom.	Replace boys rusted bathroom stalls and tiles.	February 1, 2022
R 400.8550(5) Electrical service.	During the onsite inspection, I observed at least two missing outlet	Purchase more outlet covers and cover all electrical outlets.	February 1, 2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
