Dear Ms. Hines,

This letter is to advise you that the 1/18/24 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.8125(1)	The staff members in the preschool room did not provide appropriate care and supervision to Child A since Child A was left unattended in the classroom while the other children in the classroom went for outdoor recess.	All staff were retrained on supervision, all new staff will continue to be trained on supervision during onboarding process. We will conduct annual supervision training for all teachers during a staff meeting.	11/22/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
