Dear Ms. Leece,

This letter is to advise you that the 12/11/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8152(2)	In Preschool 3A, there was no written permission from a parent giving the center permission to administer one child's Zyrtec.	All medications and action plans have been audited to ensure that parents have signed an authorization of medication form to give the center permission to administer medications. The missing medication authorization form for Zyrtec was completed by the parents on 12/04/2023.	12/04/2023
R 400.8161(8)	There was no documentation of child care staff being trained at least twice in 2021 on his or her	Two emergency preparedness trainings have been scheduled for the 2024 calendar year.	12/04/2023

	duties and responsibilities for all emergency procedures.	February and July are planned meetings to cover emergency procedures. The program director will plan and train staff on emergency procedures on 02/19/2024 and 07/23/2024.	
R 400.8720(2)	There was no documentation that Bus 2 had an annual inspection in 2022.	The facilities manager will schedule the center's buses for an inspection once a year in the months of October/November.	12/11/2023
R 400.8380(5)	There was flaking paint on the playground equipment used by the preschoolers.	When the weather permits in the Spring of 2024, the center's facilities manager will assess the playground equipment for painting and/or replacing equipment.	12/11/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
