Dear Ms. Sarasin and Ms. Shaw,  
 This letter is to advise you that the 05/16/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

The violations that were found are:

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8131(12) Professional development requirements.	Child care staff member, K.S., hired 2/1/2000, had not completed refresher health and safety course for year 2021 and also refresher health and safety course year 2022, within six months of when notice was published on MiRegistry.	Licensee designee, Kristina Shaw, stated refresher courses 2021 and 2022 will be completed upon receiving the private links. And she will keep track of training requirements and timelines.	5/26/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
