Dear Ms. Fader:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 09/12/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I reviewed children’s records and child care staff members’ records. I observed children in care engaged in a variety of developmentally appropriate activities, including toddler activity toys, coloring, and with puzzles. I observed large group time which included story time and singing. I also observed diapering, toileting, hand washing, meal service, and nap time. The child care staff members’ interactions with the children were positive and nurturing. They were attentive to the children’s needs.

As a result of the inspection, I did not find any rule or law violations.

Technical Assistance and Consultation were provided for the following:

- Public Sex Offender Registry (PSOR) statement in the policy for screening staff and volunteers
- Rake more mulch in front of the slides
- Single motion gates are only allowed

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
