Dear Ms. Scott:

This letter is to advise you that the 10/27/2020 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed

R 400.8134(3)(b) Hand washing	The staff in the infant room did not ensure that children washed hands after diapering.	Talk to teachers and remind them of the proper hand washing procedures.	10/27/20
R 400.8335(8)(b) Food services and nutrition; provided by the center.	The milk containers in the toddler room 1 and school age room were open for more than 7 days.	The milk containers will be thrown right away and the procedures for milk storage will be discussed with the staff members.	10/27/20

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
