Dear Ms. Kline,

This letter is to advise you that the 4/11/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Case Complaint, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

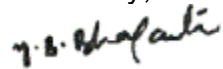

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8140(2)(a)	From the interview with CCSM 2 and watching the cameras in the classroom, it is evident that CCSM 1 spanked Child A on the hand as a response to Child A hitting CCSM 1's hand continuously..	We immediately terminated the employee involved. Additionally, we are working on finding some training on proper discipline to incorporate into our October 2024 professional development inservice for all staff.	Immediate termination of employee = already complete, Future training on proper discipline = October 2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
