Dear Lisa Parks:

This letter is to advise you that the 12/06/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

| Violation cited | Noncompliance observed | Plan to correct | Date to be completed |
|---|---|---|----------------------|
| R 400.8134 Hand washing. | The child care staff member in the infant room did not wash her hands after diapering. | I will talk to staff to make sure they always wash their hands after changing babies. | 12/23/2021 |
| R 400.8143 Children's records. | Eight of the ten child information cards reviewed were incomplete, including missing dates of admission, missing information such as: phone numbers, addresses and medical information. | I will have the parents complete the forms and I will add the dates of admission for all records. | 12/06/2021 |

| | | | |
|---|--|---|------------|
| R 400.8185 Primary care. | The infant and toddler rooms did not have primary caregivers established and documented. | I will talk to Leads so they can establish infant and toddler primary care lists. | 12/06/2021 |
|---|--|---|------------|

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
