Dear Lisa Parks:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 12/06/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

- R 400.8134**      **Hand washing.**  
(2) All staff and volunteers shall wash their hands at all of the following times:  
(e) After each diapering.

The child care staff member in the infant room did not wash her hands after diapering.

- R 400.8143**      **Children's records.**  
(1) At the time of a child's initial attendance, a center shall obtain a child information card, using a form provided by the department or a comparable substitute, that is completed and signed by the child's parent. The center shall keep it on file and accessible in the center.

Eight of the ten child information cards reviewed were incomplete, including missing dates of admission, missing information such as: phone numbers, addresses and medical information.

**R 400.8185**

**Primary care.**

(5) Primary caregiving assignments must be documented and provided to parents.

The infant and toddler rooms did not have primary caregivers established and documented.
