Dear Ms. Lewis:

This letter is to advise you that the 11/17/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8134(3)(d) Handwashing.	The children in the school age classroom did not wash hands when soiled. Children were playing with the toys like play dough and eating at the same time.	Spoke to the school age teachers about hand washing policy and created a plan of which table was for food and activities. Reviewed the hand washing policy for all staff members.	11/17/22
R 400.8340(3) Food services and nutrition; provided by parents.	Most bottles with milk in the Pink Piggies classroom and one set of bottles in the infant room did not have last names on the label.	Sent out a message for all parents reminding that all bottles be labeled with first and last name and date.	11/11/22

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
